---

I am a highly motivated individual, with a strong set of interpersonal skills looking for a challenging and rewarding role that will help me broaden and develop existing skills. My curriculum vitae reflects commercial awareness and my ability to work effectively under pressure. I am a striving individual with a proven record of commitment and passion applied to all challenges undertaken.

---

## **Key strengths:**

### **Web Developer:**

I am enhancing my skills by learning Full Stack Web Development from PNY Trainings. I have also completed many front-end projects using the LAMP stack at Tech Horizon Innovations.

### **WordPress Developer:**

I have 2 years of expertise in WordPress and have completed many projects. I hold a certification from PNY Trainings. My skills include theme customization and creative website development.

### **Business Developer:**

Worked as a BD intern at Aivia Solutions due to my excellent speaking and negotiation skills. As a BD I helped businesses grow by strategically tackling all the manoeuvres I have to undertake in order to grow and groom their business.

### **Communication & Interpersonal Skills:**

Effective communicator with strong interpersonal skills gained through numerous roles in retail and finance working closely with my colleagues to give a great service to our clients.
